

What are my *identities?*

Look at the following identities that people use to think of themselves:

- Age and/or generation
- Disability(ies)
- Religion and/or spirituality
- Ethnicity and/or racial identity
- Socioeconomic status and/or social class
- Sexual orientation
- Gender
- Country and/or region where you're from or where your family is from
- *And more!*

Which are important to you? How do you identify? Pick four (or more!) to share and discuss. You don't have to share anything that you don't want to share!

Four large, empty rectangular boxes with dashed borders, arranged in a 2x2 grid, intended for students to write their responses.
